Application Guidelines:

1. All applications are reviewed by the Vendor Management Committee prior to approval. It takes at **least two weeks** for your application to be reviewed and all applicants will be contacted once the review process is complete. You **must** receive approval before you are permitted to vend.
2. IF being considered for approval for an indoor space all vendors will be required to submit a detailed drawing of their booth set up (pictures of previous vendor set ups would be an asset) as well as a list of all electrical items required for booth operation, pictures of the equipment and pictures of all equipment specifications (rating plate, spec sheet, etc..). The Market Management reserves the right to deny the use of any materials, signage or equipment based on the St. Jacobs Farmers’ Market quality standards guidelines.
3. IF being considered for approval, any vendor selling food products will be required to apply to the health department for approval. Commercial/market kitchens **must** be used for food preparation. **Food prepared in home kitchens will not be permitted.**
4. Unless otherwise noted all contracts are payable in advance of each quarter. There will be no refunds of any kind.
5. All vendors are required to carry a liability insurance policy at a minimum amount of \$2,000,000 listing the Schlegel Urban Developments o/a St. Jacobs Farmers’ Market as an additional insurer.

By signing below I attest that the information listed above is full and complete and that I have provided all requested information.
